

Strophe 1	Am – Em – Am – Em Am – Em – Am – Em Dm – Em – Am – G-Am	We're singing here in this noisy place, it's just another one of these future Fridays We're wasting no time, we've got a lot to do, we're shouting out loud, we're calling to you But nothing ever happens – and we wonder
Strophe 2	Am – Em – Am – Em Am – Em – Am – Em Dm – Em – Am – G-Am	They're driving around in their cars, they're driving too fast, they're driving too far We'd like to change their point of view, we're getting angry, we're expecting of you But nothing ever happens – and we wonder
Refrain 1	C – G – Am – Em F – G – C – G C – G – Am – Em F – D/F# – Gsus4 – G	We wonder how, we wonder why, yesterday you told us 'bout the blue blue sky And all that we can see is not even a carbon fee We're raising our voice here and now, we're calling, calling, calling, calling, calling it out That all we want to see is a proper climate policy
Dab Da	Am – Em – Am – Em ...	Not bla – : bla, bla, bla, bla, bla bla-bla-bla : bla, bla, bli-bli-bla
Strophe 3	Am – Em – Am – Em Am – Em – Am – Em Dm – Em – Am – G-Am	We're singing here, we claim the power, we're chasing you out of your ivory tower 'Cause there's a mighty crowd outside today, if you don't act we're gonna chase you away If nothing ever happens – then you'll wonder
Bridge	E – Am – G – C – E	Hesitation – is not good for me. Demonstration – there's no time and excuse for apathy.
Strophe 4 (kurz)	Am – Em – Am – Em Dm – Em – Am – G-Am	Ein neuer Motor für den alten Spaß, we don't need an army of electric cars! Now everything must happen – and we wonder
Refrain 2	C – G – Am – Em F – G – C – G C – G – Am – Em F – D/F# – Gsus4 – G	We wonder how, we wonder why, warum tut ihr nichts gegen CO2? And all that we can see are presents for the industry We're burning coal and fossil fuels, and they're turning, turning, turning into CO2 And all that we can see is just a silly climate deal, and you'll wonder, you'll wonder
Refrain 3 (Schluss)	C – G – Am – Em F – G – F – G F – G – C	You'll wonder how, you'll wonder why, every day will turn into a climate strike 'Cause here we all agree, 'cause here we all agree 'Cause here we all agree: It's our responsibility.
